SUPPORTING TEACHING AND LEARNING

EXCURSIONS

RATIONALE
• Excursions reinforce, complement and extend learning and social skills opportunities beyond the classroom
• Excursions develop an understanding that learning is not limited to school and that valuable and powerful learning takes place in the wider community

BROAD GUIDELINES
• An excursion is defined as any activity, which occurs on a single day, whereby students leave the school grounds for the purpose of engaging in educational activities. Camps are covered with a separate policy.
• Teachers will ensure that excursions are linked to Curriculum programs

IMPLEMENTATION
The Principal or delegate (Team Leader) will ensure that;
• An online notification of school activity form is completed prior to the activity [http://www.education.vic.gov.au/school/principals/health/Pages/outdoorforms.aspx]
• In preparation for the excursion students and parents will be notified of the organisational arrangements and the relevant safety arrangements or emergency procedures and of expected standards of behaviour
• The adult/student ratio will be no more than 1:6. Where water activities are involved the ratio will be no more than 1:4.
• Any water activity requires the presence of a teacher or pool supervisor with a current Austswim certificate. Epileptic students require 1:1 supervision and a doctor's certificate stating they are permitted to participate in water activities.
• An activity that is considered to have greater than normal risks is deemed an adventure activity. (please refer to list of activities at the conclusion of the policy) All adventure activities require the approval of school council
• Students will not be excluded from excursions simply for financial reasons. Parents/carers experiencing financial difficulty, who wish their child to attend an excursion, will be required to discuss their individual situation with the Team Leader. Team Leader will, on a case-by-case basis, make decisions relating to alternative payment arrangements.
• Staff will be responsible for managing and monitoring the payments made by parents/carers.
• All families will be given sufficient time to make payments for excursions. Parents/carers will be sent a notice that provides details of the excursion and includes a ‘Permission to Attend’ slip.
• Students whose ‘Permission to Attend’ slip has not been received by the departure date will only be permitted to attend the excursion if verbal permission or text via “Message Media” is given by the parent/carer on the day of the excursion.
• Each excursion will be coordinated by a designated ‘teacher in charge’ who must fill out the excursion details on Sharepoint including the names of the students attending and the mobile phone number of the teacher(s).
• Staff will take their Excursion Folder on all excursions.
• Students, as necessary, are to have some form of identification on them in case of an emergency.
