TIPS FOR GETTING THE MOST OUT OF YOUR SCHOOL UNIFORM PURCHASE

SIZING

When first ordering, it is a good idea to bring your child to the uniform shop to try on items before purchasing.

When ordering your uniform, do not chose garments that are too snug a fit. Buying a more generous size will give you longer wear out of the garment. Also allow for minimal shrinkage.

PURCHASING

To save on costs, some parents opt to buy the tracksuit pants and shorts (in plain black) at local department stores that buy these items in bulk. Be aware though, purchase good quality or you will end up buying two items in place of one.

LABELLING OF GARMENTS

Once you have purchased your garments and have checked that they are the correct size, using a laundry pen, place your child's name on the label. Then if the item has been misplaced it can easily be returned to the correct owner instead on ending up in the lost property basket.

CARING FOR YOUR GARMENTS

While the fabrics are designed to be tumble dried, you will find the garments will have a longer life if not continually subjected to high heat temperatures.

RECYCLING-SECOND HAND UNIFORM SHOP

When your child outgrows their uniform, consider donating it back to the school. Your child may pass these items on to staff at the Office.
