Concord School is a prep to year 12 specialist school for students with additional learning needs. It provides a safe and supportive learning environment where students are expected to achieve and their successes are acknowledged and celebrated.

The Concord School community is committed to the provision of a safe, stimulating and engaging learning environment. Student wellbeing is of primary concern. Our goal is to ensure that students attend school regularly, participate in engaging programs and are encouraged to adopt positive behaviours. Corporal punishment is prohibited at Concord School.

The Concord School community is diverse and this diversity is valued. People of all cultures, religions and abilities are respected and encouraged to participate, to their fullest capacity, as students, parents/carers, staff members and volunteers, in the daily life of the school. Every person in our community has special talents and knowledge to share with others and we welcome the contributions of every person.

## 2. School values, philosophy and vision

The Concord School values are Inclusion, Cooperation, Respect, Honesty and Personal Best. All members of the school community are encouraged to act in accordance with the school motto “to be the best I can be.”

The Concord School vision encompasses a commitment to achieving excellence in education for students with additional learning needs. This is achieved through a curriculum which integrates learning technologies with best practice in teaching and learning.

The Concord School educational philosophy is that all students can learn and that students with additional learning needs have the right to an equal opportunity education.

## 3. Wellbeing and engagement strategies
