Help for non-English speakers

If you need help to understand the information in this policy please contact 9467 3972.

PURPOSE

This policy sets out our school's approach to students driving to and from school and school events. Our school recognises the need for the whole community to make efforts to minimise the risks associated with young drivers and to encourage responsible driving behaviours for students.

SCOPE

This policy applies to all students at Concord School who have a valid driver's licence.

POLICY

Our school recognises that some students will turn 18 and obtain a driver's licence while they are still attending school. Some of these students will want to drive to and from school. Concord School expects that all student drivers will adhere to the conditions of their licence and the road rules and will drive in a safe and responsible manner. If the school becomes aware that a student driver has driven in an unsafe or irresponsible manner, police will be notified.

Students are not permitted to drive themselves to and from camps, excursions or other school activities.

Students are not permitted to carry other students as passengers to and from school.

Students are not permitted to use their car during the school day.

The ***Students driving cars to school: Parent Permission and Student Agreement Form*** must be completed and a photocopy of the student's driver licence must be attached to the form.

If students act in breach of this policy, parents/carers will be notified and appropriate student consequences will apply.

Students may park in the streets adjacent to the school.

Concord School takes no responsibility for damage to vehicles parked in vicinity of the school and parking is at the vehicle owner's own risk.

COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website
- Hard copy available from school administration upon request
